To Whom It May Concern:

I am pleased to write a letter of recommendation for Mr. Tyler Nolan. As a teacher, I have been fortunate to know a student such as Tyler. He exhibits positivity, strong leadership, and logic daily. It is difficult to stand out in a school of over 2,000 students, unless you are Tyler Nolan. His positivity is infectious, pushing everyone around him to be the best version of themselves.

As a multi-sport athlete, Tyler exhibits leadership in various facets. As an Athletic Ambassador, I have seen Tyler be a role model to elementary age students, visiting their schools and sharing how to live by positive moral values. He encourages the best in others and wants them to succeed. In my opinion, a successful leader is willing to serve others, and Tyler does not shy from opportunities to do so. I have seen him encourage teammates while running the Cross Country course, playing on the basketball court, and cheering from the sidelines. His leadership also shows in the school setting, supporting underclassmen and commonly mentoring them within class. He leads by example along with a calmness and stability. As a teacher, I saw Tyler's influence make a positive impact on many other students.

Tyler is intelligent and wonderfully logical. He can analyze a situation with the best rationale down to even the smallest detail. It has been a joy to witness Tyler's growth within the past year in this area. He has transformed into a creative thinker with a logical background. What does this mean? This means Tyler approaches situations creatively, thinking of all possible options, options one would traditionally overlook. He knows answers are not always black and white. He can then still assess options with a logical background and find the best solutions by utilizing unconventional means.

It is with full confidence I recommend Tyler Nolan. He would be an asset with his leadership, reliability, creativity, and positive outlook. If you have any questions, please feel free to contact me at the above email address.

Sincerely,

A handwritten signature in black ink that reads "Katie Baughman". The signature is written in a cursive, flowing style.
